

Update of competition clothing and the clothing contribution

Dear footballers, and parents,

We would like to give you an update about one of our clothing suppliers that the club would serve us with our new competition clothing. In the past weeks we have learned from Liona that they want to withdraw as one of our contract partners and that they will cease to exist within the foreseeable future. We have therefore found Beltona willing to take over the contract for the girls department. The girls competition clothing from Beltona will have the same cut as Liona, with also inner pants in the shorts, however the clothes are delivered under the Beltona brand. That is fantastic for our club, because the contractual conditions remain "as is" and we will continue with one clothing supplier!

In any case, we still will suffer a considerable delay in the delivery of the competition clothing. The expectation is that we will receive the clothing in week of September 23, however an exact delivery date has been confirmed with Beltona. The boys and men's competition clothes has been arrived, but we will provide all the clothing at the same time. Which means that all the teams has to play in the existing competition clothing during the coming weeks.

New members who in one way or another do not have any competition shirt / socks available can check via the leader, trainer or his / her team members if they have an extra shirt. You may also be able to check with teams of the similar age group who do not do not have to play soccer at the same time. If there is not a shirt available, you can report to Florentina Hofman via e-mail: kledingcommissie@sc-tgooi.nl. We have a limited number of old shirts and socks in stock.

As everyone knows, the clothing fee for this season will be Euro 25, = and will be paid through ClubCollect billed to the members at the same time as the 2018-2019 contribution.

We expect to invoice the contribution and annual clothing fee around 3 September.

If in the season 2017-2018 (only in period from 1-7-2017 until 30-06-2018) new competition clothing has been purchased via Koppers sport, there is a possibility to receive a compensation on the clothing fee for this season (see website). We do expect that you send a copy of Koppers' proof of purchase to us before 30 September via the next e mail address: penningmeester.tgooi@gmail.com.

We thank you for your understanding and we will do our utmost to receive everything as soon as possible the final planning of the distribution of the clothing to our players.

On behalf of the Board,

Florentina Hofman
