About your membership

The season runs from 1st of July through 30th June. Membership fees are collected via automatic debit in two payments, in October and January. Payment can also be made with an U-pas. If you move, change bank details or have other changes, please notify the membership administration at ledenadministratie@vviij.nl. You can cancel before 30th of June by informing the membership administration. If you cancel after that date, unfortunately you will owe the contribution for the entire season.

Teams for optimal fun

VVIJ believes it's important that everyone enjoys playing football. Therefore, we organize teams by age and skill level as much as possible.

WELCOME TO VVIJ

The only exception is if a team is already full. In that case, for that season we will find the team that best fits. You can read information about game formats on [our website](#). You will also find information about cancellations there. If a match is cancelled, you will be notified via your team's WhatsApp group and it will be listed in the Voetbal.nl app.

Training and activities make VVIJ the ultimate football club

Most teams from age 7 train twice a week and have a match on Saturday. The Sunday teams (VVIJ2, VVIJ3, VVIJ4) play their match on Sunday. We organize all kinds of activities, such as a youth camp, the indoor soccer 'Newyearscup' tournament during the Christmas holidays, a youth tournament, a family tournament and a company tournament at the end of the season. We also have a monthly card game (klaverjassen) evening, and at the end of the season we thank the volunteers during our volunteers' evening.

VVIJ runs on volunteers

VVIJ is a football club with around 1.250 members. Besides football training and matches, we organize many activities. We can do this thanks to our enthusiastic volunteers. If you or your child become a member of our club, the unwritten rule is that you help out at the club. After all, you also want the training sessions to take place, the Clubhouse to be open, and the fields to be well-maintained, right? Each team helps once per season in the club bar and once at [the match secretary's office](#). If a bar shift is not fulfilled, the team is charged € 75,- per shift.

We expect all our members, and parents/guardians of youth members, to volunteer so that we can keep our great club running and keep the membership fees low. You decide whether you work on or off the field at VVIJ. Think of helping as a referee, coach, supporting behind the bar, being a member of one of our committees, or helping with events. Sign up with the volunteer committee for a few hours per month up to a weekly task. All hands and hours are welcome, because together we are VVIJ!

Club clothing to show that together we are VVIJ

All our members who play in competition (from JO7 onward) borrow VVIJ match clothing for a € 25,- deposit. This consists of a black and red Jako shirt and black shorts. Goalkeepers receive a green goalkeeper kit. These clothes are meant for matches, not for training. At the beginning of the season, we hold clothing exchange evenings where you

can swap uniforms that have become too small or damaged. If you have any questions about club clothing, email the Clothing Committee:

kledingcommissie@vviij.nl.

Will you help make this happen?!

The rules make the fun

For the enjoyment of the sport, there are rules. These apply to everyone who plays football in the Netherlands, and are listed by age category on [our website](#). Our principles are:

A vibrant and cozy Clubhouse

VVIJ has a beautiful Clubhouse of its own. The Clubhouse is a place where meeting and socializing for all ages is central. You can buy something to eat or drink there, which benefits the club's funds. The Clubhouse is run by volunteers. Additional help in [het team](#) is always welcome.

Our sponsors are worth their weight in gold

Sponsors are indispensable for sports clubs, and VVIJ is no exception. VVIJ is a large field football club with about 1.250 members. With tens of thousands of visitors to our sports complex each year, we offer sponsors an interesting reach.

WELCOME TO VVIJ

There are multiple ways to sponsor us. We have fixed sponsor packages, but also options like advertising on the Clubhouse screens, ball sponsorship, and kit sponsorship. Sponsors who want to associate with a team through kit can provide a team with, for example, bags, jackets, tracksuits and training shirts. Match shirts are reserved for our main sponsors. Do you know a potential sponsor or are you one? Let us know: sponsorcommissie@vvi.nl.

Lost and found

Have you forgotten or lost something at our sports park or in the Clubhouse? On Saturdays, check the lost and found at the match secretary's desk in the Clubhouse. Have you found something? Please hand it in at the match secretary.
