## RSC floor plan

We have our games on field 1 and 3, which are right by the Radboud Sports Centre (RSC). You can spot the changing rooms marked in red. Our cozy little sports canteen, called 'Het Chalet', is to the right of field 3 and is shown in orange. The football materials are stored in the tunnel right in front of the changing rooms. You can unlock the room with key 32. If you're on the chore list, just grab this key at the RSC reception.

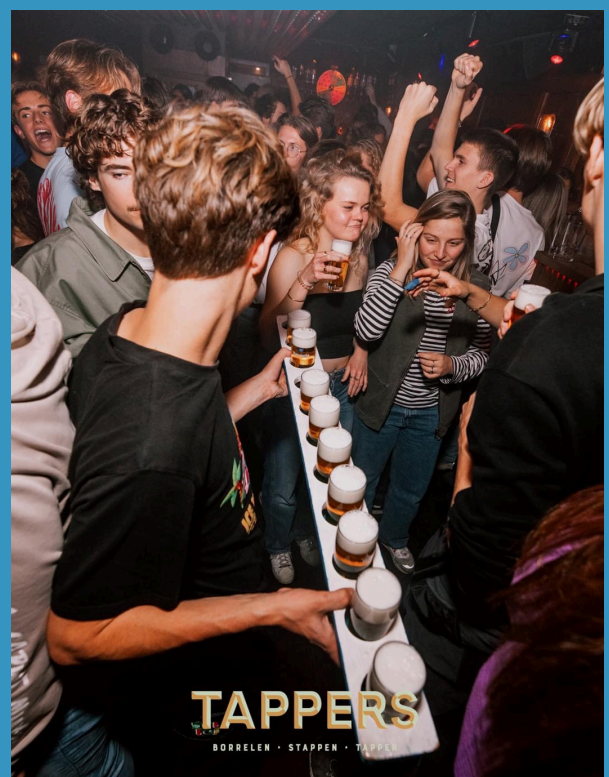

03.

## sponsors

NSVV FC Kunde has a bunch of sponsors! For instance, TAPPERS and Café Jan are two of the sponsors we connect with the most as an association.

On Sunday, after all the matches, we gather for some cozy chat and dinner at Café Jan. Throughout the week, but especially on Fridays after training, you can find all of us at TAPPERS, enjoying some beers for the beer meter competition.
