# Welcome!

On behalf of the board of OSM'75 I welcome you all at our sportpark "Fazantenkamp" of OSM '75 from Maarssen. This year we proudly present:

 Thamesview Youth Football Club	Gillingham, Engeland
 usv Hercules	Utrecht
 vv CDW	Wijk bij Duurstede
 MSV'19	Montfoort
 OSM'75	Maarssenbroek

Special thanks to the organisation. The fact that many people consider this tournament as successful and pleasant is not just a coincidence. Also many thanks to dozens of people, who once again, contributed in this tournament: from referees to medics, from catering people to tournament-management. Thanks to everybody!

From our own OSM'75 boys I know that, long before the tournament date, this is an event they are looking forward to. The results are therefore of less importance. However, I would like to encourage the boys of the OSM'75 and ask them to play the way our local professional club plays during this tournament: with the heart. Go for it and get the maximum!

I like to finish with the fact that I find, once again, all ingredients are present to make this tournament an exciting, sportive and well organized one. Hopefully the Gods of the Weather are also on our side. I wish you all a sportive, successful and pleasant tournament.

Aad van Capellen, Chairman OSM'75

## The OSM '75 / Thamesview tournament

The Thamesview Tournament is an international tournament which is organized each Easter Weekend. Traditional guest at this tournament are Thamesview Football Club from Gillingham England and OSM '75 from Maarssen. Once every two years this tournament is organized at the receiving club. The tournament is organized for players at the age of 11/13. This year the tournament is organized for the 31<sup>st</sup> time.

This tournament is unique because the clubs facilitate, but the parents of the children organize all the activities for the weekend, the catering, the sponsoring etc. Children of the visiting club stay the night at so called host families, the parents of the children of the receiving club. The parents of the visiting clubs stay in hotels in the area.

Next to the fact that it is fun to organize this for our children, it makes us aware of the big effort that is made by our volunteers. The children also get the chance to meet families en children of their own age from another country, but with a common interest: football!
