Welcome to the page of the Voluntary Engagement Committee (CVI). Here you can read everything about our volunteer policy, the role of the committee, and how you can contribute to SVV Scheveningen.

Why volunteers are so important

SVV Scheveningen is entirely run by volunteers. Board members, coaches, canteen, kitchen, maintenance, administration – all tasks are carried out by members.

🌐 Without voluntary engagement, there is no football and no club. That is why it is vital that we organize this properly and that every member participates.

Our vision

Voluntary engagement is not an obligation, but a matter of course. We expect every member to feel involved and contribute in his or her own way. This vision, along with agreements and guidelines, is included in our Multi-Year Policy Plan.
